

FAIRWAY FALCON

**BUILT TO LAST
ENGINEERED TO DRIVE RESULTS**

FI Equipment has partnered with **Dream Turf Equipment** to better serve **you** with a well established dealer network.

The Fairway Falcon™ is an articulating, pull-type fairway brush. Utilizing a unique brushing system that contours to undulations, the Falcon covers a 15-foot span for efficient and worry free operation. The unit can be towed with a wide range of vehicles as it uses an all-electric 12 volt system. The brush is ideal for **pre-cut preparation, dew removal, de-thatching, disease control, worm castings, aeration cores** and brushing in **top-dressing materials**. The Fairway Falcon™ is designed to plug right into maintenance routines in order to improve turf health and playing conditions.

PRODUCT SPECIFICATIONS

Working Width	15' 2" (4.63 m)
Ideal Working Speed	6 mph (10 km/h)
Transport Speed	12 mph (20 km/h)
Approx. Weight	1080 lbs (490 kg)
Vehicle Requirements	12 V Battery 20 HP
Towing Capacity	420 lbs (190 kg)
